Pediatric Therapy Attendance Policy

We strive to help children meet their therapy goals as quickly as possible. To do this, your child must attend therapy on a regular basis.

To get the most from your child’s therapy program, we expect you to:

- Be on time and attend the whole session
- Take part in parent education.
- Call us as soon as you know a session needs to be cancelled. You may leave a message at any time, 24 hours a day.
  - Please cancel at least 24 hours in advance.
  - If you must cancel at the last minute, you should still call to let us know.

If you have a pattern of missed visits or fail to cancel visits in advance, we will end your child’s rehab services. We will let your child’s doctor know services have ended.

When you cancel in advance, we are better able to meet the needs of all our families and staff. Thank you for your understanding and for choosing Fairview Pediatric Therapy.

I understand this attendance policy. If I need to cancel or reschedule a visit, I will call Pediatric Therapy at:
