# Amount Generally Billed for Hospital or Hospital-Related Services

## For 50% Charity Care Patients

If you have qualified for 50% Charity Care (reduction of your medical bills), we may also reduce the cost of some of our services. We can do this by billing you the **Amount Generally Billed (AGB)** to patients with insurance. This is a lower amount.

AGB billing only applies to patients who have qualified for 50% Charity Care **and** only for hospital and hospital-based services.

## How we determine AGB:

We calculate what to charge by looking at how much reimbursement each hospital has received from all Medicare and commercial accounts. The number is recalculated within 30 days of the end of each fiscal year.
