

# Monto generalmente facturado por servicios hospitalarios o relacionados con el hospital

---

## *Para pacientes del 50% de Charity Care*

Si usted ha cumplido con los requisitos para el 50% de Charity Care (una reducción de sus facturas médicas), nosotros también podemos reducir el costo de algunos de nuestros servicios. Podemos hacerlo facturándole a usted el **Monto generalmente facturado** (Amount Generally Billed, AGB) a los pacientes con seguro. Este es un monto menor.

La facturación del AGB solo aplica a pacientes que hayan cumplido con los requisitos para el 50% de Charity Care y solamente para servicios hospitalarios y con base en el hospital.

## **Cómo determinamos el AGB:**

Calculamos qué debemos cobrar mediante el análisis de la cantidad de reembolsos que cada hospital ha recibido de todos los Medicare y las cuentas comerciales. La cifra se vuelve a calcular dentro de los primeros 30 días posteriores a la finalización del año fiscal.

# Amount Generally Billed for Hospital or Hospital-Related Services

---

## *For 50% Charity Care Patients*

If you have qualified for 50% Charity Care (reduction of your medical bills), we may also reduce the cost of some of our services. We can do this by billing you the **Amount Generally Billed** (AGB) to patients with insurance. This is a lower amount.

AGB billing only applies to patients who have qualified for 50% Charity Care **and** only for hospital and hospital-based services.

## **How we determine AGB:**

We calculate what to charge by looking at how much reimbursement each hospital has received from all Medicare and commercial accounts. The number is recalculated within 30 days of the end of each fiscal year.

A continuación se enumera el porcentaje de reducción para cada hospital. Se basa en la información obtenida entre el 11/1/18 y el 10/31/19.
